

IN THE SPECIFICATION

Please insert the following new paragraph at page 13, line 7:

Fig. 12 is a plan view of an exemplary embodiment of the organic EL display element of the present invention.

Please amend the paragraph at page 23, lines 6-10 as follows:

The present invention provides a large effect in case that the number of supplementary wires is at least ~~lest~~ 30 whereby the electric power consumption is large and the degree of deterioration of the contact resistance is large as in a conventional organic EL display element. Figure 12 illustrates an exemplary embodiment of the organic EL display element of the present invention where the number of supplementary lines is 30.
